## PURATI

**Performance, Uniqueness, Responsibility, Aesthetics, Technology, Innovation.**

Those are our core value and our foundation. Our lights save space, save resources, and offer greater quality. We offer architectural lighting of premium quality and performance and with unique design.

## Meet our design partner

Our designs are made npk design, the Netherlands. 

npk design developed the design and mechanical structure of our light fittings and built an extensive range of prototypes to test the functionality and looks of the Purati new light fittings.

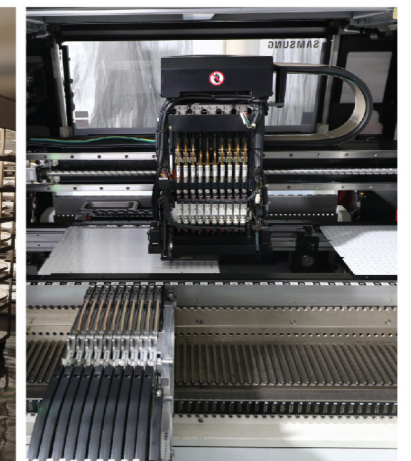

## Sustainability + High quality Lighting

More than 12 months of research and development goes into each new Purati luminaire. We carefully selected & tested 100% of components and parts for every order and each luminaire undertakes 12 hours for our aging test to ensure consistency, precision and performance of our lights.

## Our Foundation

Over 25 years of manufacturing experience, in-house lighting Lab and own production facilities. We ensure that each of Purati products would have a comprehensive series of tests in our own lighting laboratories and be sustainably produced in our Manufacturing Plant in China. Purati provides a 5-year full warranty on LED products.
