

DESCRIPTION

Thin trim IP54 recessed downlight with minimalistic design and versatile application

The Fuoco Series comprises of two classic shapes (Round · Square) with multiple mounting options that are suitable for both consumer and professional applications. With ultra-thin trim, deep recessed design and quality light output this downlight brings a modern, eye-pleasing and elegant look to the space. Precisely designed and engineered turning lock system makes this downlight interchangeable low glare reflector with three different beam angles to meet your project requirements.

QUICKINFO
