DISC

**Designed with simplicity by npk
design b.v.**

The Disc is an ultra-thin, smooth and high level of diffused brightness. The series is available in a variety of sizes, mounting options and functionalities, making the lighting solution perfect for residential and commercial applications.

The initial design

Versatility

Configurable in various sizes, colors, mounting and power options, ideal for any interior project.

Explore the essence of Disc series

Simplified integration

Designed for an ultra-thin design of just 39mm in height including build-in LED driver.

Direct and Indirect light distribution

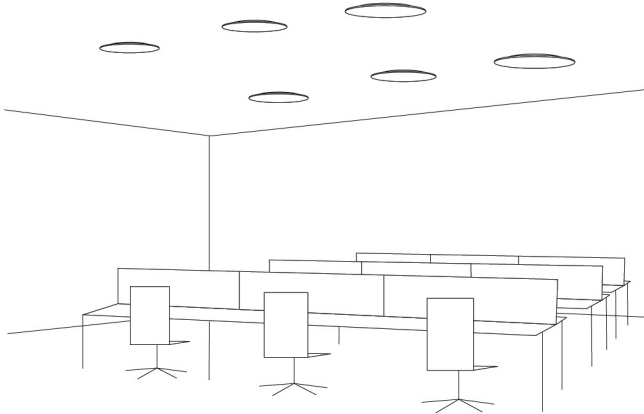

Equipped with the excellent reflector technology and combined with frosted opal diffuser providing a smooth, uniform and ambient light.

Areas of application

Residential
Multi-Residential
Office
Hospitality
Hotel
