# COMPO

**Designed by npk design b.v.**

Minimalist design with perfect light uniformity for an open feeling of space. This series is a very classic cylindrical design in various sizes and mounting options that integrates elegantly into any architecture.

**The initial design**

**Innovative design  
(all in one base)**

Direct/indirect light distribution,  
ambient light distribution.  
(Indirect light can be switched  
on/off button on the luminaire base)

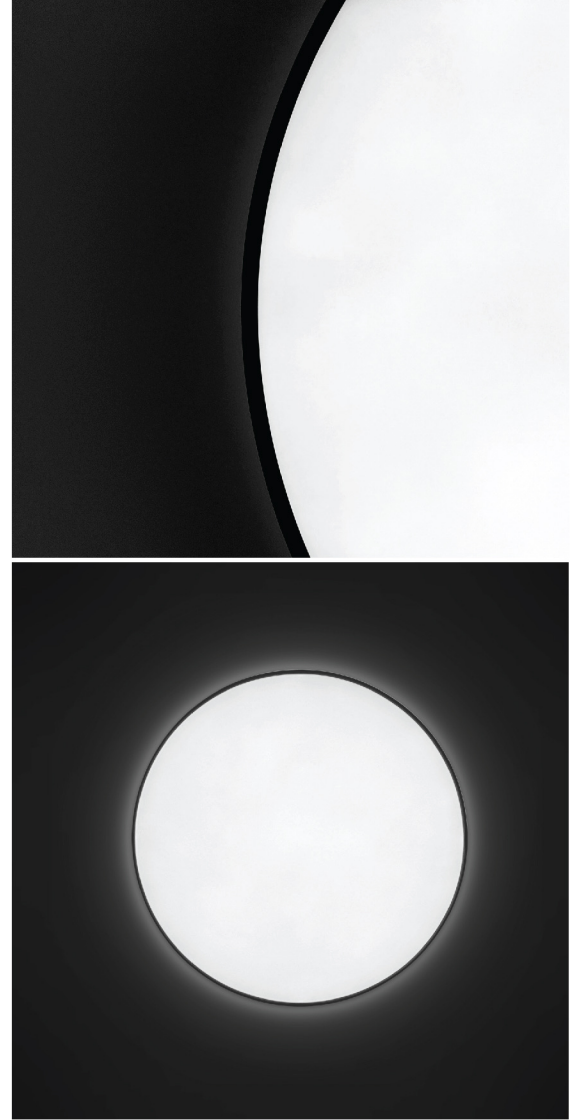

# Explore the essence of Compo series

## **Ambient light**

Perfect light uniformity with zero dotting,  
high efficiency and perfect glare control  
thanks to prismatic diffuser.

## **European design**

Slim Trim Design, impressed with simplicity  
and elegance.

Simply  
everywhere

A very classic cylindrical design in various sizes and mounting options that integrated elegantly into any architecture.
