# STORM

**Designed by npk design b.v.  
A good choice for ceiling and wall  
in outdoor areas**

The Storm is a strong outdoor luminaire featuring robust, durable, long-lasting used for tough environments. A complete range of fixtures with its installation versatility and functionality for architectural exterior lighting.

## The initial design

## Optional light ring

Extra light ring added for additional indirect lighting options.

## Explore the essence of Storm IP65 series

### Designed for durability

High grade aluminium and pre-treated before powder coating ensuing high corrosion resistance, IP65 rating protection against dust and jets of water from all directions.

### European design

Flat Slim put, beautifully robust, ease installation. With its classic round design and modern lighting options, Storm IP65 series is a multi-talent for general lighting and accent lighting.

## Functionality options

Open face and eyelid variations  
with PIR sensor or Emergency  
light (on request).

Multiply lumen  
and color

Lumen and color  
temperature switchable  
by using the switch in  
the installation

## Areas of application

Multi-Residential  
Commercial building  
Education  
Industrial outdoor areas  
Public space
