The close collaboration between  
Purati and npk design. Together,  
our mission is to create the  
great products & bring new  
lighting solutions for architecture.

## npk design b.v.

Our designs are made by npk design b.v. is an award-winning design agency which has developed a wide range of successfully products for us more than 10 years.

From Slice series to Fusi series, has been gaining prestigious international design awards such as IF Design Award, Red Dot Award, German Design Award.

# Purati

Performance, Uniqueness, Responsibility,  
Aesthetics, Technology, Innovation (PURATI).  
Those are our core value and foundation.

Our lights save space, save resources, and  
offer greater quality.

We offer architectural lighting of premium  
quality and performance and with unique  
design.

# STORM

**Designed by npk design b.v.**

**A good choice for ceiling and wall  
in outdoor areas**

The Storm is a strong outdoor luminaire featuring robust, durable, long-lasting used for tough environments. A complete range of fixtures with its installation versatility and functionality for architectural exterior lighting.

The initial design

## Functionality options

Open face and eyelid  
variations with PIR sensor or  
Emergency light (on request).

# Explore the essence of Storm IP65 series

## **Designed for durability**

High grade aluminium and pre-treated before powder coating ensuing high corrosion resistance, IP65 rating protection against dust and jets of water from all directions.

## **European design**

Flat Slim put, beautifully robust, ease installation. With its classic round design and modern lighting options, Storm IP65 series is a multi-talent for general lighting and accent lighting.

## Optional light ring

Extra light ring added for additional indirect lighting options.

The image shows a minimalist interior with a grey concrete wall and a dark floor. Three circular lights are mounted on the wall, each with a black frame. The leftmost light is illuminated with a warm orange glow, the middle one with a bright white light, and the rightmost one with a cool blue light. To the right of the lights, a white door is open, revealing a bright white space beyond. The door has a silver handle and a lock mechanism.

Multiply lumen  
and color

Lumen and color  
temperature switchable  
by using the switch in  
the installation

## Areas of application

Multi-Residential  
Commercial building  
Education  
Industrial outdoor areas  
Public space

# Technical data

	Size	Power	Lumens	Beam Angle	Efficacy	Driver
❶ Storm 325	325mm	24/18/10W	2700/2050/1100lm	110°	110lm/W	Phase cut (Build-in), DALI (Build-in),
